COVID Rental Assistance

We know how challenging the past few months have been. In fact the economic impact of the pandemic has caused many people to fall behind in their rent.

As a result of a grant award through the Community Development Block Grant (CDBG) program of the City of Worcester and the Federal government, we are happy to announce that Open Sky has a limited amount of rental assistance funding for City of Worcester residents who have fallen behind on rent or utilities due to financial hardship caused by Covid-19.
